MILFORD SPRINGER To Get Award

Attorney Cited for Articles

Attorney Milford Springer of Palos Verdes Estates has been chosen by the Freedoms Foundation to receive its George Washington Honor Medal award for "magazine articles helping to achieve a better understanding of the American way of life."

Springer's articles were part of a series first published in Gas News, Southern Counties Gas Co.'s employ publication. Springer is vice president and general counsel for the utility company.

The 16-year-old Freedoms Foundation at Valley Forge, Pa., cited Springer with one of its top awards for his articles dealing with civil rights, state and local government, and democracy versus communism.

Other group and individual recipients of the 25 George Washington awards to be presented this year included the Defense Department and FBI Director J. Edgar Hoover.

Job Corps Recruiting Under Way

The Job Corps recruitment program has again been given the "full speed ahead" signal according to June Roper, manager of the Torrance office of the California State Employment Service.

A new system for processing local enrollees has been worked out so that the wait for assignment has been minimized, Mrs. Roper said. In some cases, eligible applicants will be processed and embark for their respective Job Corps camps in as little as two weeks. In other cases it may take longer but a new method under which authorities here can make camp assignments that were formerly only made by Job Corps Selection and Referral Office in Washington, D.C., has greatly shortened the waiting period, she said.

THE JOB Corps is a remedial program for young men and women who are out of school and cannot find a job. In a Job Corps Center, these young people will receive basic education, job training, and the experience to develop good work habits. They will be given room, board, and clothing and spending money of approximately \$30 a month. When they leave they will get \$50 for each month of satisfactory service in the Job Corps.

Any out-of-school youth between 16 and 21 may apply for the Job Corps.

Any young man or woman interested in this program may get further information or apply at any office of the California State Employment Service, Mrs. Roper said. The Torrance office is located at 1016 Sartori Ave. The office is open Mondays thru Fridays between 8 a.m. and 5 p.m.

Tartar Teen Talk

By Jeanne Rubeo

With the change in weather here at Torrance High School, there has also been a change and a few additions to the THS faculty roster. Taking the place of Coach John Trantham will be Ralph Latimer. Coming to THS from Howard Wood Elementary School, Latimer will be assistant track coach and will take Coach Trantham's classes. Another faculty addition is Bob Newmann, returning to THS after a two-year absence.

The Annual Spring Band Concert will be staged tomorrow night. Our Tartar Band, which consists of over 90 people, will take part in this activity. Support them!

SHE IS WEARING GLASSES

Contact lenses have come a long way since they were first introduced to the human eye.

Now—so comfortable, so undetectable—contact lenses are for just about anybody. Whatever your reason for being interested, come in and see what science has done about contact lenses to make them wonderful to wear. Come in for a no-obligation demonstration. 32 years in Harbor area.

"WHO ARE you going with?" "What are you going to wear?" These remarks, plus giggles in between, are some of the remarks a person would hear if he were to pass a group of girls standing around campus anytime this week. The event, a very special one, is the 1966 Junior Senior Prom.

Stardust, which is the theme, will be held Friday night in the Gold Room at the Los Angeles International Hotel. Keith Williams and his orchestra will provide the music.

WHO WILL BE King and Queen of the Junior-Senior Prom be this year? The five girls voted by the class of '66 are: Cheryl Barnett, Marilyn Blankenship, Kris Erickson, Judi Rynhart, and Julia Takayama. The boys were: Clyde Boyd, Jim Cooper, Jim Crockett, Bob Sharp, and Roger Webb. The King and Queen will be announced at the prom.

With the Seniors getting their announcements last Friday, they are all headed for that night in June. Our graduation exercises will take place on the football field June 15.

THE THIRD ANNUAL Art Exhibit is scheduled for May 6. The outstanding work is produced by our art students and will be on exhibit for all to view. These pictures will be on exhibit in the upstairs of the administration building.

Tomorrow our Varsity baseball and tennis teams will host Leuzinger High School. Good luck to all those boys who will participate in these games.
